

It is our aim to take individual care of our customers and to provide services of the highest quality.

You – as our customer or external interested party – are not satisfied, e.g. with a service, the behavior of an account manager, course instructor, verifier or auditor? Or you want to appeal a certification decision made by us? Perhaps you have discovered deficiencies in a management system certified by us? The suspicion of unethical or even corrupt conduct on the part of one of the parties involved in the certification decision can also be a reason for an objection. Whatever you dislike, please let us know in writing:
